

## NGCRA Membership Terms & Conditions.

By completing the Member Application form, the Golf Club that I represent will become a member of National Golf Course Restaurant Association Inc. (NGCRA). The golf club will own the membership on a yearly basis. Any manager at the club can join NGCRA under the Club's membership. As a member, the Club can take advantage of all of NGCRA's contracted savings programs. The member understand that NGCRA has negotiated group pricing with preferred vendors/suppliers/ distributors/manufacturers. Any purchases under these contracted prices are purchased from the preferred vendors/suppliers/distributors/manufacturers, NGCRA does not sell any products nor stock in any products. To have access to any program I understand that I have to be a member and have paid the yearly dues.

As a member I will pay NGCRA \$365 per year in members' fee.

The members fee can change from year to year with a 30 day notice. If the member does not see a savings of at least \$365 or increased revenue by sharing of ideas and networking at the end of the membership year, the member can claim a refund of \$365.
